JAPANESE WHISKY

If the finer points of Japanese culture can prove elusive to the Western psyche, much the same could be said for the country's whisky. While there may be echoes of Scotland in the distilleries of Honshu and Hokkaido, the big variety in production techniques results in multifaceted whiskeys with an identity of their own.

THE CIGARS: LIGHT SELECTION

HOYO DE MONTERREY

PETIT ROBUSTO 220

Dubbed as the 'espresso of cigars', this cigar is loved for its famously rich and creamy taste. The Petit Robusto has received numerous awards since its debut in 2004, and has been named one of 'Today's Cuban Stars' by Cigar Aficionado Magazine.

EPICURE N 2 280

Completely hand-made with tobacco leaves coming from Vuelta Abajo, Cuba, this Robusto cigar, has an intense tobacco taste, blended with cocoa, cinnamon and dried fruits.

H. UPMANN

HALF CORONA 180

H. Upmann is one of the oldest cigar brands in existence, dating back to the 1840s when the line was first established by banker Herman Upmann. Infamously, the night before the Cuban embargo was signed, US President John F. Kennedy had his personal aide procure every box of H. Upmann cigars in Washington, totaling 1,200 cigars.

THE CIGARS: MEDIUM SELECTION

TRINIDAD

REYES 230

With intelligently measured strength and a gentle aroma of woody spices, this cigar provides a deep and confident smoke. This 2004 release is a relatively recent addition to the Trinidad family and the taste is similar to sweet caramel, cocoa, and almonds.

ROMEO Y JULIETA

PETIT CORONAS 230

A classic Romeo Y Julieta with a consistent draw and notes of coffee and vanilla. The cigar's herbaceous qualities allow it to be paired well with chamomile and mint.

WIDE CHURCHILL 330

As a shorter and fatter cousin of the standard Churchill, this cigar offers robust flavours of caramel and cherry. The Wide Churchill is slightly stronger and spicier than the traditional Romeo y Julieta smoke.

CHURCHILL 360

This flagship cigar from the house of Romeo y Julieta has been in vogue since pre-1960. Constructed with a select Indonesian shade grown wrapper, Dominican binder, and a blend of Dominican fillers, the Churchill is rich and powerful with earthy and herbal spicy tones.

PUNCH

PUNCH PUNCH 310

Like a boxer primed for a fight, this cigar is vivacious and strong, exuding spicy, woody and nutty flavours. With flair and showmanship, it releases bouts of vanilla, honey, and ginger.

THE CIGARS: MEDIUM TO FULL SELECTION

COHIBA

EXQUISITOS 280

A perfect cigar for occasional smokers who look for strength rather than aggression in a small cigar. The herbaceous nature of the blend is mixed with hints of chocolate, caramel, cedar, and spice. This panatela is an instant pleasure and can be enjoyed in just half an hour.

SIGLO II 320

This 1994 release from Cohiba is given an exclusive third fermentation during production. The Siglo range was developed in 1992 and became commercially available in early 1994. The taste and aromas of Siglo II are similar or close to mild creamy sweetness, bean flavours and tobacco taste.

MONTECRISTO

Nº 470 220

With its excellent construction and masterful balance of power and flavour, it comes as no surprise that the Montecristo Nº 4 is the world's bestselling Cuban cigar. As the preferred cigar for Ernesto "Che" Guevara, the Nº 4 is quintessentially Monte with classic notes of wood and damp earth.

PETIT Nº 2 280

A petit version of the classic Nº 2

Nº 2140 320

This Cuban classic is a longtime favourite among cigar aficionados. The expert blend includes perfect proportions of liger, seco and volado tobacco, resulting in a romantic smoke with hints of dark chocolate, earth and spices.

EDMUNDO 350

Named after Edmundo Dantes, hero of Alexandro Dumas' famous novel "The Count of Montecristo", the Edmundo was the first size added to Montecristo's standard range since 1971. It delivers the classic, bitter-sweet, tangy flavour that has made Montecristo the world's most popular Havana cigar brand.

THE CIGARS: MEDIUM TO FULL SELECTION

ARTURO FUENTE

HEMINGWAY SHORT STORY

320

The Hemingway's Perfecto shape is, without question, one of the most challenging cigars to make. With a Dominican filler and binder along with a select African Cameroon wrapper, the cigar produces thick clouds of white smoke with a rich aroma.

OPUS X BELICOSO XXX

550

Nestled in the rich, volcanic soil of the Dominican Republic lies Chateau de la Fuente, home of the original Dominican Puros. The mineral rich soils of the Dominican Republic allowed for the cultivation of the glorious wrapper tobacco that is the foundation for the infamous Fuente Fuente OpusX.

PADRON

PADRON 5000

180

The wrapper, filler, and binder of this Robusto, are all sun grown from Nicaragua and aged for two and half years. The first few draws of this cigar release flavours and aromas of cedar, earth, vanilla, and pepper.

1926 40th ANNIVERSARY

580

The Padron Serie 1926 was created in 2002 in celebration of Jose Padron's 75th birthday, with the "1926" being a reference to the family patriarch's year of birth. With an incredible rating of 97 points, this rare full-bodied cigar is smooth and complex. With a five to ten year old blend of the finest Nicaraguan tobacco, this cigar shows flavours of chocolate, coffee, nuts, and black cherry.

THE CIGARS: FULL SELECTION

PARTAGAS

SERIE D N° 4

320

Before and after the Cuban revolution, the authentic Cuban-made Partagas was regarded as one of the most revered cigars in the world. When we think of power, we think of Partagas. This 1975 release provides powerful aromas of spice, earth and touches of peppermint.

SERIE P N° 2

320

The Partagas Serie P N° 2 was honoured as the winner of the DFNI Product Awards in the Tobacco Category for the Best Tobacco Launch in 2005. This spicy cigar develops in power and rich aromas throughout the smoke.

BOLIVAR

ROYAL CORONAS

220

It comes as no great surprise that this 1973 release was voted number one in the top twenty-five cigars of 2006. Tastes and aromas are similar to earthy and peppery flavours.
